Informed Consent for Eastern Medicine

I understand that I am the decision maker for my health care. I understand that Dr. William E. Leigh III DAOM AEMP (Dr. Leigh) is responsible to provide me with information to assist me in making informed choices. This process is often referred to as 'informed consent' and involves my understanding and agreement regarding the care recommended, the benefits and risks associated with the care, alternatives, and the potential effect on my health if I choose not to receive the care.

I understand that Eastern Medicine is not intended to substitute for diagnosis or treatment by medical doctors or to be used as an alternative to necessary medical care. I understand that it is my responsibility to disclose to Dr. Leigh if I have been diagnosed with an injury or illness. I understand that I am expected to be under the care of a primary care physician or medical specialist.

I hereby request and give consent for Dr. Leigh to perform aEastern Medicine and other procedures within the scope of the practice of Acupuncturist and East Medicine Practitioner of WA on me (or on the patient named below, for whom I am legally responsible).

I understand that methods of treatment are not limited to but may include:

1. Heat therapies including moxibustion, infra red heating lamps or mats.
2. Therapeutic Bodywork, Eastern Massage, Tui-Na (Chinese Bodywork), Thai Massage, cupping, Structural Integration, Visceral manipulation and other therapeutic bodywork modalities that are within his training and scope of practice.
3. No touch or light touch energy medicine such as Qi gong, Reiki, meditation and Craniosacral therapy. This may include other other therapeutic energy medicine modalities that are within his training and scope of practice.
4. Chinese herbal medicine and the recommendation of herbal dietary supplements.
5. Nutritional and Life-style counseling.
6. The recommendation of practicing Exercise, Qi Gong or Tai Chi.

I do not expect Dr. Leigh to be able to anticipate and explain all possible risks and complications of treatment. I wish to rely on Dr. Leigh to exercise judgment during the course of treatment based on the facts then known is in my best interest. I understand that results are not guaranteed and there is no promise to cure.

I understand that in the event that my condition is such that treatment is beyond the normal capabilities of Dr. Leigh, I understand that I may be referred to other competent practitioners including, but not necessarily limited to, medical physician and other Western practitioners. I also understand that I have the right to a second opinion and to secure other options about my circumstances and healthcare as I see fit.

I have read, reviewed, understand, and agree to the above consent to treatment, have been told about the risks and benefits of Eastern Medicine and have had an opportunity to ask questions. I agree with the current or future recommendations for care. I intend this consent to cover the entire course of treatment for my present condition and for any future conditions for which I seek treatment. I understand that I can refuse treatment at any time.

BY SIGNING BELOW I AM AGREEING THAT I HAVE READ, UNDERSTOOD AND AGREE TO THE ITEMS CONTAINED IN THIS DOCUMENT.
